## Universal Periodic Review of Armenia

23 January 2020

Intervention by H.E. Peter Matt

Permanent Representative of Liechtenstein

---

Liechtenstein welcomes the distinguished delegation of Armenia and wishes to thank for the valuable information provided in the introductory statement and in the national report. Liechtenstein welcomes Armenia's efforts to implement recommendations since the last Universal Periodic Review. In particular, we welcome that Armenia recently joined the Code of Conduct regarding Security Council action against genocide, crimes against humanity or war crimes.

In a constructive spirit, Liechtenstein recommends that Armenia

1. Ratify the Rome Statute of the International Criminal Court with its amendments and fully implement them into national law.
2. Ratify the Council of Europe Convention on the Protection of Children against Sexual Exploitation and Sexual Abuse.
3. Continue its efforts to combat trafficking in human beings and protect victims of trafficking in speeding up the full implementation of the national action plan.

We thank you.
