Universal Periodic Review of Libya

11 November 2020

Intervention by H.E. Peter Matt

Permanent Representative of Liechtenstein

Liechtenstein welcomes the distinguished delegation of Libya and wishes to thank for the valuable information provided in the introductory statement and in the national report. Liechtenstein welcomes Libya's engagement with the international human rights community, in particular the support for the Fact-Finding Mission that looks into the human rights situation in the country.

In a constructive spirit, Liechtenstein recommends that Libya

1. Ratify the Rome Statute in its 2010 version as well as the Kampala Amendments to the Rome Statute on the crime of aggression.
2. Take effective steps in view to abolish the death penalty.
3. Strengthen efforts to combat all forms of sexual and gender-based violence, including serious acts of violence committed against migrants, refugees and their families, and bring those accountable to justice.
4. Enhance its work regarding the combat of trafficking in human beings as well as the sale of persons into modern slavery or forced labour, including practices of sexual exploitation and sexual slavery.

We thank you.
